OVERVIEW

Oakmont Inn (formerly The Doone's Inn at Oakmont) is a beautiful Bed & Breakfast offering comfortable luxury to guests from around the world. Oakmont Inn is perfectly positioned across from the world-famous Oakmont Country Club on the edge of the quaint village of Oakmont just 20 minutes from downtown Pittsburgh.

Our warm and comfortable atmosphere features a beautiful dining room, comfortably quiet living room, relaxing veranda, putting green, fitness center with large steam room, and the extraordinary "Owney's Parlor"—the perfect gathering place to watch a game or movie, play cards or shoot pool on our incredible, restored, circa 1923 Brunswick "Hudson" billiard table.

Our spacious property includes a sizable backyard and parking lot perfect for hosting large groups providing a first rate experience for your key clients and associates. We can easily accommodate large format tents on the flat parking lot and slightly sloping backyard to host well over 200 people.

We are happy to help arrange private lunch or dinner service, cocktail parties, spa treatments, and ground transportation. Plus, we have exclusive access to the best culinary talent and event planners in the area.
